

Values-based Sustainability in the Australian National Curriculum

Dr Joy de Leo OAM

Founding President
UNESCO-APNIEVE
Australia

The seminar will cover findings from Dr de Leo's text and policy analysis into the extent to which the knowledge, skills, values and quality features of Education for Sustainable Development (ESD) are reflected in the Australian National Curriculum and other relevant international policy and curriculum documents, with a particular emphasis on values.

The research presented is part of her doctoral dissertation for which Joy received a commendation for thesis excellence from the Pro Vice-Chancellor (Research) at The University of Adelaide.
